

FORTE HOTELS

UNITED KINGDOM

CLIENT: FORTE HOTELS PLC

Lees Associates abilities, understanding and commercially successful project solutions within the field of hospitality are illustrated by the Practice's long relationship with Forte plc, Europe's largest hotel company. Over many years, the Practice has successfully undertaken new concept design, refurbishment and new build for Forte.

Performance and price are primary concerns to any hotel client. Lees Associates understanding as to room (key) costs, cover cost and financial review have led to ten hotel projects for Forte including restoration, new build, interior design.
